## SAN DIEGO, CALIFORNIA

**Owner**  
Centre City Development Corporation

**Services**  
Surveying

**Completion Date**  
2008

**Key Personnel**  
D. K. Nasland, PLS, PE;  
Director of Surveys  
John Winn, PLS;  
Survey Project Manager

### Project Summary

Nasland Engineering prepared a highly detailed ALTA for the City Operations Building, City Hall, San Diego Concourse, Civic Theater and Civic Center Plaza located between A and C Streets and Front and Third Avenues. The on the ground survey was a design grade topography and included the location of the below grade tunnel under First Avenue, also depicting basement locations based on available record drawings.
